Also, be specific when describing what you have done by using "I statements" to highlight what you specifically, rather than the team you were working with, did to achieve a successful outcome. For example:

- "I always spread best practice across the department" (too vague, not specific-what did you actually do?)
- "We implemented a departmental lesson observation timetable" (unclear what your involvement was-what did you do?)

1. What motivated you to apply for the Teaching Leaders programme? (please limit to 300 words) \*
